Title: CMV - Driver Basics (Entry-Level Driver Training)

Group: Drivers

Type: Technical

Review: The Federal Motor Carrier Safety Administration (FMCSA) recently issued the final rule that now requires training for entry-level drivers who are subject to the commercial driver's license (CDL) requirements. Drivers who are required to hold a CDL after July 20, 2003 and have less than one year's experience in operating commercial motor vehicles (CMVs) in interstate commerce are subject to the training requirements.
